NAPLES PLAIN-TOP STORAGE BENCH

More than meets the eye, this multi-purpose bench will be positively practical in any room. It can offer a seat in the foyer for putting shoes on and off and then store the footwear inside. It would make a great blanket box in the bedroom or serve as a toy box in the family room. Everyone needs additional storage, but where else can you get it in such a handsome and durable package? Select the covering and wood finish and our craftsmen will create the perfect storage bench to serve your family for the long term.
