BIRKLEY LOVESEAT

A low-set body, petite flared arms, and traditional t-cushions come together to form a loveseat that is both cozy and classic – Birkley. Equally welcome at the cottage or in your condo, Birkley acts as a warm embrace – a welcoming place to sit back or curl up – in your most comforting and serene spaces. Pair it with a coordinated Birkley sofa, chair, or ottoman to complete a look that just feels like home.

FEATURES

- Standard with 100% feather-filled back pillows
- Available with 2 seats (standard), or a single bench seat. Please specify on your PO
