ROCKEFELLER CHAIR

Breaking all boundaries, Rockefeller is beautiful and complex, designed to look good while keeping comfort top of mind. Ultra-thin arms with a subtle curve, clean lines, and deep seat cushions create a streamlined masterpiece. The focus is all on Rockefeller's extra deep seat cushion, standard with foam core cushions wrapped in a feather envelope, inviting you to lounge luxuriously. Whether you are alone, with your fur friends, or creating memories surrounded by friends and family all in one space, Rockefeller is always ready for you.

FEATURES

- Standard with feather-wrapped, foam seat cushions
- Also available as a sofa, condo sofa, or sectional
- Frame is crafted from a combination of engineered and solid wood.
- Crafted in Canada
